COMMENT: Ms. Campbell did a fine job, but talked too much on simple details instead of explaining more into the projects.

COMMENT: Allison Campbell is an absolutely wonderful professor and person in general! She made the class interesting and enjoyable. I learned far more then I expected to in her Composition One class and her class was my absolute favorite this semester. I am definitely going to recommend her class to others.

COMMENT: Allison has a really fun spirit and makes the work enjoyable, but when my mom passed away in the last few weeks of school I felt overwhelmed by the makeup work and I wish I could have worked something out with her differently. Most of my other classes averaged my grades and just had me focus on the final (it being a week from finals.) I feel my grade for the final could be better if I didn't have to focus on make up work and extra credit.
